

Training Registration Form

Infrastructure Training course (in partnership with SensePost)

You will leave this course knowing what tools and techniques hackers use in the wild, and with a deep enough understanding to defend your organization against them.

Date: Thu April 26 – Fri April 27, 2018
Location: Lausanne
Duration: 2 days
Certification: Attendance Certificate
Fee: **CHF 3'750 + VAT** (includes course documentation, access to SensePost training portal during and after the course, lunch with drinks and coffee breaks)

For an optimal training experience, you are kindly requested to bring your own laptop. In case you are unable to do so, we can (on prior request) lend you a laptop for the duration of the course, but you will take better advantage of the training if you are working on a machine you are used to.
